

POESÍA:

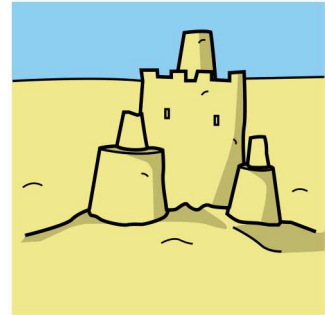

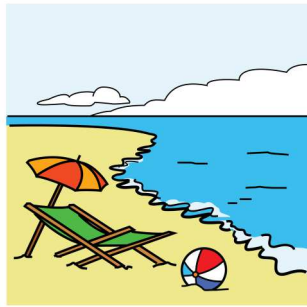

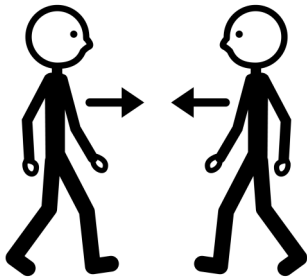

# PECECITOS DE COLORES

Texto: Julián Alonso

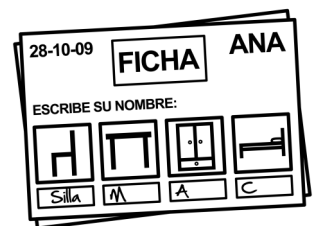

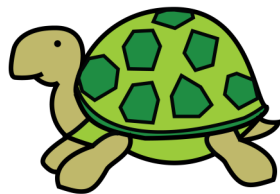

*Pececitos de colores quieren jugar con la arena*

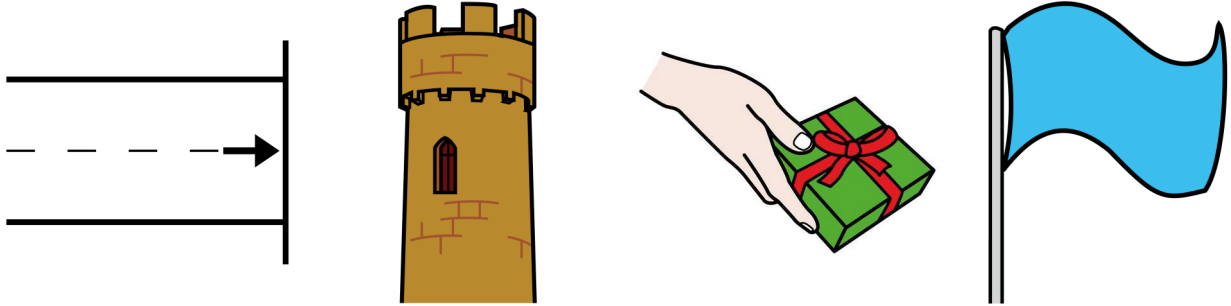

se acercan hasta la playa y hacen castillos con ella.

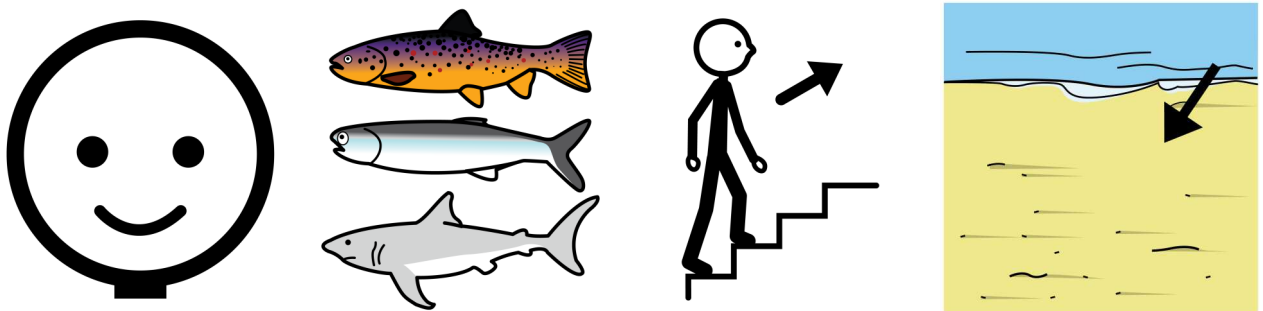

Sra.

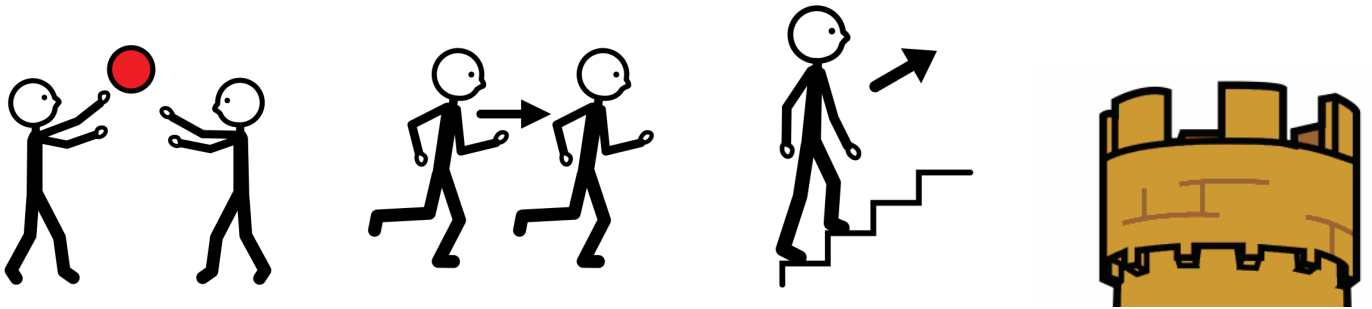

Una señora tortuga le ayuda en la tarea

y al terminar con la torre les regala una bandera.

Así contentos los peces cuando sube la marea,

Juegan al "Que no me pillas" subidos en las almenas.

COLORÍN  
COLORADO

Colorín colorado este cuento se ha acabado.
